

SCHOOL BUILDING COMMITTEE UPDATE – 02/04/10

On February 4, 2010, a Middle School / High School Building Project Community Forum was held to provide to more information on:

- the proposed building design, cost estimates, and phasing or staging of the project
- MSBA timeline and other project information
- financial impact

If you were unable to attend this valuable forum, please be sure to watch the rebroadcast on the local access stations (Charter channels 11 & 12 and Verizon channels 30 & 31) or online on the town's website "Sutton TV Online".
